

**AMERICAN NEUROTOLOGY SOCIETY  
TRAINEE AWARD**

43rd Annual Spring Meeting  
J. W. Marriott Grand Lakes  
Orlando, Florida  
May 2-3, 2008

Deadline for submission: October 15, 2007

The American Neurotology Society offers an award for the best clinical or basic science paper in Neurotology submitted by a Resident or Fellow in training in the field of Otolaryngology-Head and Neck Surgery. Residents from any approved residency program or Fellows in Neurotology in the United States or Canada are eligible to compete.

**AUTHORSHIP**

The Resident or Fellow must be the primary author. He or she must provide the main inspiration for the paper and do the literature search, data collection, original and final drafts of the article, the discussion, and the conclusions. A staff sponsor may be listed as co-author or second author. The sponsor or staff consultant may only provide editorial help, cases for study, and/or a research laboratory setting for carrying out bench research.

**THE PAPER**

The paper must be an original contribution, not previously published. A clinical study or basic research study is acceptable. Single-case reports or literature reviews are not acceptable. The paper must be presented in the publication format recommended by *Otology & Neurotology*, the official journal of the American Neurotology Society. The author must submit an electronic copy of the manuscript, including illustrations. The name of the author and any other identifying information should appear on the cover sheet only.

**THE PRIZE**

The American Neurotology Society has established a cash award of \$1,000 for the winning paper. The author will be expected to attend the Annual ANS Spring Meeting and present the paper personally.

**DEADLINE**

The deadline for electronic submission of the full paper (not an abstract) is October 15, 2007. Electronic submission of the manuscript should be sent to:
