

**American Neurotology Society
&
American Academy of Otolaryngology-HNS**

The Silverstein Award

In conjunction with the AAO-HNSF, the ANS sponsors a joint research grant for new investigators to fund clinically relevant research in otology, neurotology and/or skull base surgery.

This matching grant is awarded every other year, in the amount of \$12,500.00 per year for two years, based on the eligibility requirements established jointly by the ANS and AAO-HNSF. Applications are reviewed by members of the AAO-HNSF Subcommittee on Research Grants and Prizes, one of whom is an ANS member. The recipient of the grant is announced at the Spring Business Meeting. Within a year of the conclusion of the grant, the recipient is required to present a paper based on the funded work at the American Neurotology Society meeting, held in the spring at COSM. Submission of a manuscript to *Otology & Neurotology* is also required.
