

**AMERICAN NEUROTOLOGY SOCIETY
TRAINEE AWARD**

58th Annual Spring Meeting

May 5-6, 2023

Boston, MA

Deadline for submission: October 15, 2022

The American Neurotology Society offers an award for the best clinical and/or basic science paper in Neurotology submitted by a Resident or Fellow in training in the field of Otolaryngology-Head and Neck Surgery. Residents from any approved residency program or Fellows in Neurotology in the United States or Canada are eligible to compete.

AUTHORSHIP

The Resident or Fellow must be the primary author. He or she must provide the main inspiration for the paper and do the literature search, data collection, original and final drafts of the article, the discussion, and the conclusions. A staff sponsor may be listed as co-author or second author. The sponsor or staff consultant may only provide editorial help, cases for study, and/or a research laboratory setting for carrying out bench research.

THE PAPER

The paper must be an original contribution, not previously published. **A clinical study or basic research study is acceptable.** Single-case reports or literature reviews are not acceptable. The paper must be presented in the publication format recommended by *Otology & Neurotology*, the official journal of the American Neurotology Society. The author must submit an electronic copy of the manuscript, including illustrations.

THE PRIZE

The American Neurotology Society has established a cash award of \$1,000 for the winning paper(s). The author will be expected to attend the Annual ANS Spring Meeting and present the paper. **(Abstract must be selected for ORAL presentation to be considered).**

DEADLINE

The deadline for electronic submission of abstract is October 15th with completed manuscript (*rough draft ok*), and brief cover letter due Nov 11th. Electronic submission of the manuscript in one pdf should be sent to: Kristen Bordignon at administrator@americanneurotologysociety.com
