 - ▶ Grant submission deadline: March 1
 - ▶ Funding dates: July 1 - June 30
- ▶ Brief written feedback will be provided

American Neurotology Society Research Grant

ALL GRANTS

- ▶ No overlap is permitted
- ▶ Requirement for a statement of other support from the PIs prior to initiating funding

American Neurotology Society Research Grant

Christine T. Dinh, MD Univ of Miami - Miller School of Medicine Miami, FL	2015 Cochlear irradiation and dosimetry: apoptosis, necrosis and hearing loss	\$25,000
Harrison W. Lin, MD Univ of California-Irvine Orange, CA	2016 Chronic implantation of the facial nerve for selective facial muscle contraction	\$25,000
Michael S. Harris, MD Medical College of Wisconsin Milwaukee, WI	2017 Verbal Memory as Outcome Predictor in Adults Receiving Cochlear Implants	\$25,000
Ksenia A. Aaron, MD Stanford University Stanford, CA	2018 Modelling and Restoring Hearing and Vestibular Deficit of Non-Syndromic Deafness	\$25,000

American Neurotology Society Research Grant

The American Neurotology Society Research Fund only accepts grant applications and reference letters electronically. Please prepare your application electronically and have everything contained with the PDF form. Please submit your final PDF application by email. Reference letters may be electronically prepared and signed as PDF documents, or may be scanned as PDF documents, in order that they may be included as part of the grant application.

The grants and reference letters are to be submitted via email to:

Dr. Ronna Hertzano, Chair of the ANS Research Committee
RHertzano@som.umaryland.edu

&

Kristen Bordignon, Administrator of the American Neurotology Society
