

# Otolaryngology (Otology/Neurotology)

Champaign, Illinois

Carle Physician Group is seeking an additional **BE/BC Otolaryngologist** with an **Otology and/or Neurotology focus** to join our established Otolaryngology-Head and Neck Surgery Department in Champaign, Illinois.

## Position Details Include:

- Fellowship training in Otology and/or Neurotology required.
- Join an established practice with 7 BC Otolaryngologists [2 Otology/Neurotology (1 retiring), 1 Head and Neck/Microvascular, 2 comprehensive, 1 part-time advanced rhinology, 1 part-time facial plastic surgery] and 4 Physician Assistants.
- Carle's Audiology and Hearing Services Department is one of the only programs in the state of IL to offer comprehensive hearing services for both adults and children all in one location and has done **over 700 cochlear implants** since the program was founded in 1985.
- Our department is located in a newly built clinic with additional space at a self-standing pediatric ear clinic with auditory-oral school. Surgeries will be performed at our new, adjoining 23,000 square-foot surgery center as well as at the main hospital.
- Teaching and research opportunities available with the Carle Illinois College of Medicine, the nation's first medical school focused at the intersection of healthcare and engineering.
- Work with a team of experienced implant and vestibular audiologists, a fellowship trained skull base neurosurgeon, neuroradiologists and radiation oncologists.
- Excellent benefit package: health/dental/life insurance, 403-B plan with employer match, LTD, relocation allowance, CME allowance, and paid malpractice insurance with 100% tail insurance covered.

## About the Community:

Nearly equidistant to Chicago, Indianapolis and St. Louis, Champaign-Urbana is home to the 150-year-old University of Illinois. As a "micro-urban" community, C-U combines the best of city amenities, from dining to the arts, with a more laid back, college-town atmosphere. Carle is the second-largest employer in Champaign County.
