8:00 Recurrent Intra-Temporal Facial Nerve Schwannoma Invading a Prior Interposition Graft

Shawn M. Stevens, MD

8:10 Adjourn/closing remarks

John Leonetti, MD

A special thank you to Drs. John Leonetti, Sam Marzo, & Yuri Agrawal for their efforts in coordinating the Facial Nerve Study Group.

Immediately following the Facial Nerve study group, will be the Stereotactic Radiosurgery study group at 8:20 AM followed by the William House Cochlear Implant study group at 10:00 AM. The ANS Scientific Fall Program kicks off at 1:05 PM, concluding at 5:30 PM in the same location! Everyone is welcome to attend. **Registration for the ANS Scientific Program is required.** Please register online in advance. **Due to the stringent ACCME requirements, CME credit is not offered for the any of the Study Groups.**
