

## Otologist - Department of Otolaryngology - Head & Neck Surgery

The Department of Otolaryngology – Head & Neck Surgery at Penn State Health Milton S. Hershey Medical Center is seeking a full-time fellowship trained Otologist/Neurotologist to join the team.

### Position Highlights

- Join team of 12 faculty members, 9 APPs and 9 Audiologists
- Busy academic practice with a strong primary care referral base from Penn State Health practices and surrounding 29 counties
- Highly collaborative and supportive atmosphere to grow and develop a practice based on your niche.
- Abundant research opportunities and resources at your fingertips including basic science, clinical outcomes and clinical trial projects
- Faculty appointment at the Assistant/Associate Professor level with a competitive salary and benefit package
- Faculty development program as well as abundant leadership and educational opportunities
- This could be the career opportunity you are looking for in a great setting with partners who care. We enjoy what we do, and we enjoy working with each other!

### Position Requirements

- M.D., M.D./Ph.D., D.O., or equivalent degree
- BE/BC Otolaryngology and completion of fellowship in Otology & Neurotology
- A strong commitment to patient care, resident education and research

### Community

- Hershey is a suburban community in a metropolitan area and is one of the fastest growing regions in the state.
- The area offers excellent schools with Derry Township, Lower Dauphin and Palmyra school districts in the top 100 in the state.
- Hershey is approximately 12 miles from Harrisburg, the state capital, and within a short train ride or drive to New York City, Philadelphia, Washington DC, and Baltimore.

### Penn State Health

- Penn State Health is a multi-hospital health system serving patients and communities across 29 counties in central Pennsylvania. It employs more than 16,800 people system wide.
- The system includes [Penn State Health Milton S. Hershey Medical Center](#), [Penn State Health Children's Hospital](#), and [Penn State Cancer Institute](#) based in Hershey, Pa.; [Penn State Health Holy Spirit Medical Center](#) in Camp Hill, Pa.; [Penn State Health St. Joseph Medical Center](#) in Reading, Pa.; and more than 3,000 physicians and direct care providers at more than 126 outpatient practices in 94 locations. Additionally, the system

jointly operates various health care providers, including [Penn State Health Rehabilitation Hospital](#), Hershey Outpatient Surgery Center, Hershey Endoscopy Center, Horizon Home Healthcare and the [Pennsylvania Psychiatric Institute](#).

- In December 2017, Penn State Health partnered with Highmark Health to facilitate creation of a value-based, community care network in the region.
- Penn State Health shares an integrated strategic plan and operations with [Penn State College of Medicine](#), the University's medical school. With campuses in State College and Hershey, Pa., the College of Medicine boasts a portfolio of more than \$100 Million in funded research and more than 1,700 students and trainees in medicine, nursing, and other health care professions and biomedical research.
