

Seeking a full time BC/BE fellowship trained Otolaryngologist  
Department of Otolaryngology, University Hospitals Cleveland Medical Center

The Department of Otolaryngology at University Hospitals (UH) Cleveland Medical Center is seeking a **full time BC/BE fellowship trained Otolaryngology-Neurotology** candidate to join the full time faculty as the **Chief-Division of Otolaryngology and Neurotology**. As part of our affiliation, UH physicians serve as faculty of Case Western Reserve University School of Medicine. In this supported leadership position, the candidate will manage the day to day clinical operation of the division and oversee one of the busiest cochlear implant programs in the region. In addition, the candidate will relish a mature and state-of-the-art lateral skull base practice. The rapidly growing Department currently has needs for expansion with the addition of a faculty member at the level of associate or full professor. Interested candidates should possess a strong commitment to clinical practice, as well as research and resident education.

This is an opportunity to join a top 20 ENT department in US News, currently consisting of 60 providers, with 16 audiologists and 8 PhD faculty. The Department has robust clinical training, and research programs at multiple sites. We have a diverse, engaged faculty involved nationally and loco-regionally in research and quality outcomes projects. Clinical opportunities are available at tertiary academic and regional locations throughout Northeastern Ohio through the University Hospitals Healthcare System. The System's 1032-bed, tertiary medical center, University Hospitals, is an affiliate of Case Western Reserve University. Included in UH are University Hospitals Rainbow Babies & Children's Hospital, among the nation's best free standing children's hospitals; University Hospitals Seidman Cancer Center, part of National Cancer Institute-designated Case Comprehensive Cancer Center at Case Western Reserve University and University Hospitals MacDonald Women's Hospital, Ohio's only hospital for women. The Department partners with UH in fulfilling our mission: To Heal. To Teach. To Discover.

We offer a comprehensive compensation package and excellent benefits including CME funding, paid vacation and educational time, medical/vision. University Hospitals is proud to be an equal opportunity employer.

Submit CV, a brief letter and the names of three references addressed to:
