

University of Maryland Otorhinolaryngology

The Department of Otorhinolaryngology – Head and Neck Surgery at the University of Maryland School of Medicine is seeking a board certified or board eligible, full-time, academic Neuro-otologist to join our team of two Otologist/Neurotologists. The applicant will have completed a Neurotology fellowship and be able to obtain an unrestricted Maryland medical license. Faculty appointment will be at the assistant/associate/professor level.

The ideal candidate will be clinically-focused on excellent patient care and manage the full spectrum of Neurotologic conditions, including CPA and lateral skull base tumors, infectious and inflammatory disorders of the temporal bone, CSF otorrhea, facial nerve and vestibular disorders and all forms of hearing loss and tinnitus. At the University of Maryland Medical Center, our Department enjoys a strong multi-disciplinary skull base disorders alliance with Neurosurgery and Radiation Oncology. Time would be split between the University of Maryland Medical Center and the VA Medical Center at Baltimore. Teaching residents and medical students, as well as an interest in clinical/translational research is required.

Academic rank is commensurate with experience. For immediate consideration, please send a cover letter and a recent CV, including names and contact information of three references to the following link:
